

# How to Access the NYCDOE Teach Hub

## [Video - How to Log into Teach Hub](#)

App	
 <p>Google Classroom</p>	<p>Google Classroom is where students can view their teacher's digital classroom. Students can check the Stream for announcements and the Classwork tab to view assignments and class resources.</p>
 <p>enVisionmath</p>	<p>enVisionmath includes all of the digital resources for our Envisions math curriculum. Through here, students can view lesson videos, access math activities, and open a digital eText version of their math textbook.</p> <p><a href="#">Video - How to Log into enVisionmath</a></p>
 <p>Sora</p>	<p>Through the Sora app, students can borrow digital books to read on their devices.</p> <p><a href="#">Video - How to Access Sora</a></p>
 <p>Clever</p>	<p>Students are able to access additional apps - including iReady and MyOn, through Clever.</p> <p><a href="#">Video - How to Access Clever</a></p>

### Apps Linked Through Clever

 <p>i-Ready</p>	<p>Students can practice reading (3-5 grade only) and math skills.</p> <p><a href="#">Video - How to Access iReady</a></p>	 <p>myON</p>	<p>Students can read and listen to digital ebooks.</p> <p><a href="#">Video - How to Access MyOn</a></p>
