Nigeria

Main Course: Describe what you've learned about Nigeria using the 8 strands of social studies.

Appetizer #1: Compare and contrast Nigeria and the United States of America.

Appetizer #2: Create a journal entry from the point of view of someone living in Nigeria. Give as many specific details as you can.

Appetizer #3: Find a current events article from Nigeria and retell the story in your own words. Explain why you chose it and include your thoughts and feelings about what happened.

Appetizer #4: Create an original piece of artwork inspired by Nigerian culture. You will be given various examples but you may also choose one on your own.

Dessert: Retell in your own words a classic Nigerian folktale. Create an illustration for it and explain what you believe is the moral or lesson of the story.
