Date Due: _____

The Middle East

Main Course—Describe the Middle East using the 8 strands of social studies.

Appetizer #1—Create an original piece of artwork inspired by Middle Eastern culture.

Appetizer #2—Create a power point of either the Middle East as a whole, or one specific country in it. This will be presented in class on the due date.

Appetizer #3—Explain the important role oil has played in the Middle East, both in the past and the present. What are some of the pros and cons involved with this valuable resource?

Appetizer#4—What are some of the most important issues people of the Middle East are facing today? What do you believe might be some solutions to these challenges?

Dessert—Choose one specific Middle Eastern country and describe it using the 8 strands of social studies. You must also compare and contrast your country with the United States of America.
